# IndiGo Cadet Pilot Programme

INSIGHT AVIATION

## Insight Aviation

Insight Aviation is a pilot training and recruitment company based out of Dubai in the UAE. Established by Aviation professionals with a lifetime of experience in airline flight operations including pilot selection, recruitment, competency assessment, training, checking, flight operations, and training management. The company has been selected by IndiGo to be a trusted partner in selecting and training pilots to captains in its ever-growing fleet of airplanes.

## Training Philosophy

Our philosophy is to train our cadet pilots on the principles of Competency Based Training and Evidence Based Training keeping abreast with the latest development in global practices of pilot training. If you are serious about pursuing this career, we can get you into the flight deck of IndiGo within 24 months from the time you sign up for our program.

## Become an IndiGo cadet pilot

The opportunity to become an airline pilot with IndiGo is unprecedented and unique. The Cadet Pilot Programme allows you to jump headlong into your dream of becoming an airline pilot with no other worry than to manage your own competence, skill, and energy. Through COVID-19, IndiGo has maintained the unique distinction of supporting each of its cadets through the most turbulent period in Aviation history and achieve their dream of one day flying a jetliner. You also have the opportunity to excel and work for, by far the best airline in the country.

INSIGHT AVIATION

# 1

## Phase one: Ground School INDIA (4 Months)

Cadets will establish their foundation of aviation knowledge through 470 hours of structured instruction on aviation subjects delivered by experienced subject specialist instructors.

# 2

## Phase two : Flying Training - South Africa (11 Months)

Cadets will commence their CPL Training at 43 Air School to develop the skills required to become an airline pilot.

INSIGHT AVIATION

# 3

## Phase three : License Conversion - India (4 Months)

This phase of training will be completed in India and will require you to take the DGCA-examined flight test to convert your SACAA CPL with IR to DGCA CPL with IR.

# 4

## Phase Four: Type Rating (2 Months)

The A320's type rating training will adhere to the DGCA-approved Airbus training curriculum at an accredited training facility. Upon meeting the requirements and passing the license skill test, cadets will be eligible to join IndiGo as JFO.

43 Air School is a dedicated flying training organisation, catering for the private, general commercial, airline and military sectors. We have extensive experience in training self and corporate sponsored pilots from different cultural backgrounds and from various countries around the world.
